

How to Install Drivers for Your Check Scanner

1. Sign in to Remote Deposit Check Capture:

• If using Treasury with Vista Bank: Log in to Treasury via https://www.vistabank.com/, then select **Account Services -> Remote Deposit Check Capture.**

Vista Bank	()	Welcome	Reports	Money Movement	Account Services	Administration
Vista Bank Treasury eServices					Stop Payment	
					ACH Positive Pay	
					Positive Pay	
					Remote Deposit Ch	eck Capture
					Check Reorder	

If **NOT** using Treasury with Vista Bank:

Log in via https://dlmlr9.fisglobal.com/DirectLinkClient/login/801170#/dashboard

2. Select **Help** at the top left, then **Retrieve WebScan**, then save and run the application. Select **Next** throughout the entire install process until it is done.
